Letter no 242 of 30.9.09 from the President of the Taluk & Munl Boards, Mysore District submits copies of the resolutions of the Mandya and Malavalli municipalities of 12th Sept & 31st Aug'09 respectively.

The Malavalli Munl Board have agreed to bear the cost of anti-rabic treatment of patients residing within the limits of the municipality. The Mandya Munl Board, while recording a resolution on the point referred to them for opinion, have fixed a limit of Rs 5 for each case and resolved that they would bear the cost of anti-rabic treatment of patients not exceeding the said limit. This limitation may perhaps be ignored while passing orders on the general question. The Mandya Munl Board have raised a collateral question in their resolution; viz that the Hospl Asst of the place may be empowered to grant certificates to patients bitten by rabid animals, as the necessity of securing the prescribed certificates from an officer of or above the rank of Sub Asst Surgeon entails delay in some cases. This is true; for in one case recently, a man bitten by a rabid dog

File is under record.

According to the letter of the Agent, Madras and Southern Mahratta Railway Company read in the preamble to G.O no: 4257-97 dy 7.11.08, the Railway Company seem to have med 2-08-17 no objection to allow the concession of free ~~return~~ 3d class return tickets to patients & their attendants on the requisition of even a Hospital Assistant, if empowered by the Durbar. The Senior Surgeon may, if afft, be consulted G.O as to whether there is any objection to Hospl Assistants in places where there are no med officers of Superior grades, being also empowered to despatch persons bitten by rabid animals, for treatment in the Coonoor Institute.

The following Government orders *re* grant of concessions to enable Government servants and indigent persons unconnected with the public service, when bitten by a rabid animal, to undergo treatment in the Pasteur Institute at Coonoor:—

G. O. No. 11830-69—Med. 229-06-5, dated the 15th June 1907.

G. O. No. 4330-70—Med. 43-07-14, dated the 12th November 1907.

2. Letter No. G. 609, dated the 16th April 1909, from the Senior Surgeon, reporting, with reference to Government Order No. 6519—Med. 126-07-2, dated the 10th January 1908, that the rules contained in the Government Orders read above have worked fairly well and have not so far proved to be wanting in any respect.

3. Communications from the Deputy Commissioners of Districts and Presidents of District and Municipal Boards on the subject of debiting to the District and Municipal Funds the expenses of anti-rabic treatment of indigent patients sent to the Pasteur Institute at Coonoor for treatment and the expenses of their attendants.

No. 631-80—MED. 2-08-95, DATED BANGALORE, 22ND JULY 1911.

ORDER THEREON.—In view of the fact that the majority of the District and Municipal Boards, who were consulted in the matter, are willing to meet the charges in connection with the anti-rabic treatment of indigent persons unconnected with the public service, residing within their jurisdiction, Government direct that, with effect from the 1st July 1911, the charges in question be debited to the District and Municipal Boards concerned, necessary provision being made therefor in the budget estimates of the respective Boards.

2. As the Madras and Southern Mahratta Railway Company have since extended the concession of granting free return 3rd class tickets to Coonoor and back to indigent patients and their attendants proceeding from the Mysore State to the Pasteur Institute at Coonoor on the requisition of a Government servant duly authorised by the Mysore Government in that behalf, and as experience has suggested that the existing rules require to be revised in some respects and consolidated, the Government are pleased to prescribe the rules hereto appended to regulate the grant to Government servants and to indigent persons unconnected with the public service in the Mysore State, of concessions designed to enable them, when bitten by a rabid animal, to proceed without delay to the Pasteur Institute at Coonoor for treatment. This order will supersede all previous orders of Government on the subject.

C. S. BALASUNDARAM IYER,
Offg. Secy. to Govt., Gen. & Rev. Depts.

To—The Senior Surgeon with the Government of Mysore.
The Deputy Commissioners of Districts.
The Comptroller, Mysore Government.
The other Heads of Departments.
The Presidents of all the District and Municipal Boards in the State including the Presidents of the Mysore and Bangalore City Municipal Councils and of the Kolar Gold Fields Sanitary Board.

Rules for the grant of concessions to Government servants and to indigent persons not employed in the public service to enable them, when bitten by a rabid animal, to proceed to the Pasteur Institute at Coonoor for treatment.

I. CONCESSIONS TO GOVERNMENT SERVANTS.

1. Any Government servant who has been bitten by a rabid animal and who is too poor to proceed to Coonoor at his own expense may, provided that he is drawing not more than Rs. 100 a month, be granted:—

(*i*) His actual travelling expenses to Coonoor and back, *viz.*, (*a*) a single fare each way by railway of the class by which he is entitled to travel on duty

(*b*) for journeys by road or river, the actual cost of transit not exceeding the amount admissible under rule. The expenses for the return journey will be paid to the patient at Coonoor after the treatment has been undergone.

(*ii*) An advance of one month's pay.

(*iii*) One month's casual leave or if the officer's absence gives rise to the necessity for the appointment of a substitute, one month's extra privilege leave, any leave required in excess being treated as privilege or sick leave.

2. Any Government servant who has a difficulty in finding at once the means to enable him to proceed to the Coonoor Institute and whose pay exceeds Rs. 100 but does not exceed Rs. 500 a month, may be granted an advance not exceeding the amount admissible under Rule 1 (*i*) and may also be granted the concessions specified in I (*ii*) and (*iii*) above.

3. Any Government servant drawing not more than Rs. 500 a month may, if a member of his family is bitten by a rabid animal and he has difficulty in finding at once the means of sending him or her to a Pasteur Institute, be granted an advance not exceeding the amount admissible under Rule 1 (*i*) and may also be given the concession specified in Rule 1 (*ii*).

4. Government servants drawing more than Rs. 25 per mensem proceeding to the Pasteur Institute for treatment should bear the cost of their maintenance both during the journey and while under treatment at the Institute. Those drawing not more than Rs. 25 per mensem will be granted a maintenance allowance at the rate of daily allowance admissible.

5. The officers of the Mysore State mentioned in Appendix A are authorised to grant the abovementioned concessions to Government servants employed under them or subject to their authority.

6. The despatch of every Government servant to the Coonoor Institute for treatment should at once be reported to the officer immediately superior to the officer by whom the patient is sent and by that officer, if he is not the Head of the Department, to the Head of the Department. Where the Head of the Department himself sends the person, no further report is required. A report should also at once be made direct to the Director of the Pasteur Institute, Coonoor, stating—

(*a*) the class to which the patient has been treated as belonging for the purpose of travelling allowance ;

(*b*) the amount of travelling allowance (by rail, road or river) advanced; and

(*c*) the number of days for which, and the rate at which, maintenance allowance has been advanced.

7. Every Government servant despatched to the Pasteur Institute shall, on discharge from it, obtain a certificate from the Director of the Institute and produce it before the Head of his office.

8. The travelling allowance for the return journey shall be at the same rates as were allowed for the journey to the Institute.

9. Grants for travelling and maintenance allowances of Government servants should be debited to a special detailed head, *viz.*, to "26. (9) Miscellaneous Charges for the treatment of patients at the Pasteur Institute."

10. All advances made to Government servants under Rules 2 and 3 above, shall be recovered in three equal monthly instalments as provided in Article 137 (*b*) of the Civil Account Code, provided that the Head of the Department concerned, may, with the previous sanction of Government, permit repayment in more than three but not more than twelve instalments, when he considers that repayment in three instalments would cause hardship. Any recoveries of overdrawals to be effected in consequence of a Government servant having been allowed travelling allowance in excess of that to which he was entitled, will be made by the Comptroller, Mysore Government.

The amount required for the despatch of a patient may be drawn from any Treasury in the Province on bills prescribed for salary, travelling allowance and contingencies with full particulars noted therein. There is no objection to the amounts being advanced for this purpose from the permanent advance, the recoupment being made by cashing the bills above referred to as soon as possible.

Local Fund and Sanitary (Medical), dated 22nd July 1911.

CONCESSION TO INDIGENT PERSONS NOT EMPLOYED IN THE PUBLIC SERVICE.

12. Any indigent person not employed in the public service who has been bitten by a rabid animal, and who, in the opinion of any officer authorised to grant the concession, is unable to proceed to the Pasteur Institute, Coonoor, for treatment at his own expense, may be granted his actual travelling expenses to Coonoor and back, *viz.*, (*a*) single 3rd class fare each way by Railway, (*b*) for journeys by road or river, the actual cost of transit, (*c*) maintenance allowance at the following daily rates:—

Europeans and Eurasians one rupee during the journey, and Rs. 2-8-0 during treatment; Indians four annas during the journey and six annas during treatment.

Provided that for the purpose of this rule, no person or member of the family of a person who pays more than Rs. 50 as kandayam per annum or whose income from any other source than land exceeds Rs. 15 per mensem, shall ordinarily be classed as indigent; nor shall any person be classed as indigent who has at the time or can obtain from relatives, the means of paying his expenses.

A list of the officers in Mysore authorised to grant this concession, is given in Appendix B.

Note.—The Madras and Southern Mahratta Railway Company having kindly consented to grant free return 3rd class tickets to Coonoor to indigent persons sent to the Pasteur Institute at Government expense and allow the same concession to any attendant sent at Government expense, the same will be procured for the patient by the officer who despatches him to Coonoor. The form given in Appendix C shall be adopted when applying to Station Masters on the Madras and Southern Mahratta Railway for free return 3rd class tickets to Coonoor.

13. The patient may be paid in advance the actual cost of transit for journeys by road or river, when necessary, and maintenance allowance for the period of his journey to Coonoor. He should take with him to Coonoor and produce before the Director of the Institute a certificate signed by the officer despatching him that he has been sent to the Institute for treatment at the expense of the Government of Mysore.

14. The maintenance allowance of the patient, while under treatment at Coonoor and for the period of the return journey and also, if necessary, the cost of transit for journeys by rail, road or river, on the return journey will be disbursed to the patient at Coonoor.

15. The travelling allowance for the return journey shall be at the same rates as were allowed for the journey to the Institute.

16. Women, children under 16 years of age and men who are, by reason of age or other sufficient cause, incapable of travelling alone, may be allowed an attendant to accompany them to the Institute at Coonoor. Any such attendant shall be granted (*i*) travelling expenses and maintenance allowance at the rate sanctioned for patients and (*ii*) wages not exceeding four annas a day in cases where the despatching officer is satisfied that the patient is unable to pay the daily expenses of the attendant. The charges of the attendant will be borne by the fund to which the charges on account of the patient are debited. Only one attendant may be sent at the public expense with each patient or patients of the same family.

17. The despatch of each indigent person to Coonoor for treatment at the public expense should at once be reported to the Director of the Institute and to the President of the Municipal or District Board concerned, and in every case a report should also at once be sent to the Comptroller, Mysore Government.

The report should state (*a*) the amount of travelling allowance (by rail, road or river) advanced, (*b*) the number of days for which, and the rate at which, maintenance allowance has been advanced, and (*c*) whether the cost is debitable to the District or the Municipal Funds.

16

18. The amount required for the despatch of a patient may be drawn from any Treasury in the Province on presentation of a bill signed by the officer empowered to send the patient. The bill must contain the following particulars :—

(1) Name of the patient.

(2) Name of the attendant, if any.

(3) Station from, and the date on, which despatched.

(4) Amount required :—

(*i*) Travelling allowance, (*ii*) maintenance charges, (*iii*) wages of attendants. There is no objection to the amounts being advanced for this purpose from the permanent advance, the recoupment being made by cashing the bills above referred to as soon as possible.

19. The expenses incurred in the treatment of indigent persons and the expenses of their attendants should be debited to (*a*) Municipal Funds where the person sent resides within a Municipality and (*b*) to District Funds where the residence is outside a Municipality.

The charges in connection with despatch of indigent patients and their attendants to Coonoor will be shown in the District Fund and Municipal accounts under a separate head "Charges for treatment of indigent patients in the Pasteur Institute."
